EDUCATION

University of Wisconsin-Madison · Madison, WI

May 2022

Bachelor of Science, majors in Computer Engineering and Computer Science

GPA: 3.45/4.0

Certificate in French

EXPERIENCE

Collins Aerospace, Software Engineering Intern · Remote

May 2021 - Aug 2021

- Developed a web app to help customers optimize their workflow using Flask framework, HTML, and CSS
- Wrote and edited automated tests with Robot framework to quickly and efficiently check code
- Used Agile, Scrum, and Kanban for our software development process along with Git and Bitbucket for handling code and collaboration

Collins Aerospace, Software Engineering Intern · Remote

May 2020 - Aug 2020

- Generated a more streamlined user experience of a widely used .NET web application through enhancing the design and functionality of **20+** pages
- Refined the web app to be more responsive to various web browser environments with HTML and CSS
- Swiftly delivered updates to the web application through Git and Azure DevOps

Medtronic, Software Engineering Intern · Mounds View, MN

May 2019 - Aug 2019

- Achieved rapid delivery using Agile methodology to develop and design a .NET web application that effectively handles communication across **2000+** string files
- Revamped the web application's features to allow for seamless user interactions using jQuery/AJAX requests for threaded comments
- Boosted efficiency of a translations localization process by reducing the process time by upwards of **40%**

PROJECTS

Demic · Team Project

Joined Aug 2020 - Present

- Mobile app built using Expo and React-Native (front-end) and Firebase (back-end) to help connect students with other classmates to find friends and study buddies in the rising age of remote learning

SKILLS

Languages: C, HTML/CSS, Java, Python, Assembly, Verilog, MATLAB, JavaScript

Tools/Technologies: Agile, ASP.NET, Git, Jira, Robot, React, React-Native

ACTIVITIES

Society of Women Engineers (SWE)

- Engaged in events for professional development, networking, and connecting with women in STEM

Club Ultimate Frisbee · Officer, 2019 - 2020

- Coordinated and devised **2+** team workouts each week while balancing a full academic course load
